

April 14, 2016

WRPC Board Mtg 3/21/16

Start 6:35 Donovan, Dave, Jim A., Jim F. Nick, Shannon, Christine, Karl

Donovan will investigate DNR grant opportunities.

Gun show details: Security is in pretty good shape, need others to work club table and front door as well as stickers in and out for guns.

Advertising in Dairyland Peach, Kerkhoven Peach, Lakeland broadcasting (2 radio stations), KDJS (2 radio stations), Reminder, signs are out in four directions from Willmar on main highways.

MN Gun Rights may or may not be a fraudulent organization out of Iowa so be careful where you donate.

Karl made a motion to buy 1 M1 carbine so we are not shooting our current ones which are too valuable. Dave seconded and the motion passed. We also briefly discussed buying an SKS or an AK47 but no motions were made on that discussion.

Electric wires for shed may interfere with poles for pistol addition, but we may be okay if careful on digging the post holes.

Dave got a quote on paving driveway. To put in gravel base is \$13,000. Tar on that driveway is an additional \$17,000. Excavation and prep of the parking area behind pistol shed is \$2,204 and to pave that area is \$3,000 on top of that. Crushed concrete would be about \$600 higher.

Christine and Shannon will follow up on getting 2 other estimates fo base work with gravel and crushed concrete or crushed granite for the driveway.

We need to decide what we want to use the current shed for and have that drive any renovations or changes that we make.

Clean up day is April 23 starting at 9 a.m. with a rain date of April 30. We want to finish the fence, start on the pistol shed addition, fix up target holders, stencil on target structures so people don't hang targets on them, burn our pile (Donovan will get permit).

Should we hold a raffle to give away our M1 carbines or use some other method to get rid of them? There is a limit on the total amount we can raise on an annual basis with a raffle and we would need to get a gambling permit for that.

Need donations for the club table or door prizes at the gun show.

We need to get a file cabinet or two for the shed at the range to house our paperwork and supplies. Karl will look into costs.

Adjourned at 9:30 p.m.
